The Chamber’s 4th Quarter Industry Tour was at American Trim, and it was very interesting to be able to tour one of Cullman’s oldest industries. The metal formation and decoration company supplies appliance control panels, assemblies, and stainless steel appliance components to Fortune 500 companies around the globe. The Cullman Community is very proud to have them here. Thank you to American Trim for allowing us to come, as well as REHAU Automotive for being our 4th quarter sponsor!
EPIC’s Christmas Sweater party readies them for an “epic” 2020

EPIC held its annual Christmas Sweater Party on the new Carlton’s patio, and it got us all in the Christmas spirit. Attendees heard some very festive music from Mr. Antonio Woodruff throughout the night and had the opportunity to play plinko and spin-the-wreath to give themselves an opportunity to win lots of awesome prizes. At the end of the night there was a men’s and ladies’ Christmas sweater winner. Wade Smith and Jessica Fralic won their respective categories. We’re looking forward to the 2020 EPIC year!

Chamber’s quarterly Morning Blend keeps you in the know

The Chamber’s 4th Quarter Morning Blends were some of the best of the year! In October Bonnie Baty, Brian Lacy, and Larry Drake from the Cullman Electric Cooperative came and gave the group some tips about how to make your home as energy efficient as possible as we approached the colder months of the year. In November Jacqueline Schendel of the North Alabama Better Business Bureau came and spoke about possible scams to look out for in the holiday season. We wrapped up the year in December with Cullman County District Attorney Wilson Blaylock explaining all the different things the Office of the District Attorney handles for our community!
